

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF EAST KENTUCKY)	
POWER COOPERATIVE, INC.)	
OF A REVISION TO ITS)	CASE NO. 9582
WHOLESALE ELECTRIC)	
POWER TARIFF)	

O R D E R

On February 11, 1987, East Kentucky Power Cooperative, Inc., ("EKPC") filed a motion requesting this Commission to amend the Order of October 16, 1986, wherein the Wholesale Power Rate Schedule C ("Schedule C") was approved.

EKPC is requesting that Schedule C be changed per the insistence of the Rural Electrification Administration ("REA") to omit the provision requiring a contract between EKPC and the distribution Rural Electric Cooperative Corporation ("RECC"). REA contends the contract is unnecessary as EKPC's current wholesale power contract calls for RECCs to purchase all power from EKPC and only the provision requiring a contract between the RECC and the industrial customer is necessary.

On March 2, 1987, EKPC filed a copy of a letter from the REA wherein REA stated that it had no objections to the overall concept of Schedule C.

FINDINGS AND ORDERS

The Commission, having considered the evidence of record and being advised, is of the opinion and finds that:

(1) Schedule C as amended by EKPC is fair, just and reasonable and should be approved.

(2) The Commission wishes to repeat, as ordered in the October 16, 1986, Order in this case, that a progress report on the implementation of Schedule C is to be filed with this Commission one year from the date of the Order.

IT IS THEREFORE ORDERED that:

(1) The Schedule C as amended by EKPC is hereby approved.

(2) EKPC shall file with this Commission the revised Schedule C within 20 days of the date of this Order.

Done at Frankfort, Kentucky, this 12th day of March, 1987.
